Mermaid Theatre Company will use music and puppets to tell some of our favorite Eric Carle’s stories in, **A Brown Bear, a Moon, and a Caterpillar: Treasured Stories by Eric Carle**. In the story “The Very Hungry Caterpillar,” a caterpillar hatches from an egg and spends an entire week eating all kinds of foods. In “Brown Bear, Brown Bear, What Do You See?” bear meets many friends while he travels. “Papa, Please Get the Moon for Me” is a story about a young girl, Monica, who looks out her window and is greeted by the moon.
