

Due to the pandemic, we are going virtual this year! All auditions will be submitted via video and students selected to perform as part of Ovation will participate in a video recording session on the Lied Center stage in a safe and socially distant manner.

Each participating student must fill out a form and acquire a parent/guardian signature.

Students must be enrolled in a USD 497 middle or high school during the 2020-2021 school year.

Due to time constraints, only a select number of acts will be chosen to perform in the talent show.

Please submit your application and video audition as soon as possible.
