This event is made possible through the generous support of the Tim and Jerrye Van Leer Education Endowment.

**There will be no intermission during this performance.**

Beloved around the world, Popovich Comedy Pet Theater is a show for the whole family, featuring European-style circus acts, highly intelligent dogs and even house cats doing the craziest of tricks! Gregory Popovich and his pets were finalists on *America's Got Talent* and featured on *The Tonight Show with Jay Leno*, *Late Night with David Letterman*, *The Late Late Show with Craig Ferguson*, *Animal Planet* and more.

Popovich has spent years as an advocate for homeless pets and is proud to be able to help improve the life of every animal he personally rescues. All pets that perform in Popovich Comedy Pet Theater are rescues from shelters and serve as furry ambassadors for animals seeking homes. "When people see these amazing, healthy animals on stage and decide to adopt an animal from a shelter themselves, my main message has reached the audience." — Gregory Popovich

As a fifth-generation circus performer who learned early on how to develop strong bonds with animals, Popovich is a master animal trainer who employs positive-reinforcement techniques in his training—coaching individual animals to perform tasks based on their natural habits. He has shared his expertise for raising, training and living harmoniously with pets in two books: *You CAN Train Your Cat: Secrets of a Master Cat Trainer* and *Doggy Gone Good: A Master's Guide to Teaching Manners, Tricks and Healthy Habits*.
