This event is made possible through the generous support of the Jerry and Jacki Hannah Family Fund.

**There will be no intermission during this performance.**

Get ready for a high-energy, interactive live show that's fun for the whole family! Expect flying toilet paper, ginormous balloons, vortex rings, streamers galore and infectious music that will have everyone on their feet.

Imagination Movers began in 2002 when four New Orleans friends—Rich Collins, Scott Durbin, Dave Poche and Scott “Smitty” Smith—decided kids deserved music that spoke to them, not down to them. Late-night songwriting sessions turned into 76 episodes of their Emmy-winning TV series, now streaming on Disney+, and a catalog of more than 250 original songs that populate playlists of families worldwide.

Along the way, the Movers have hit the Billboard Kid Albums Top 10, earned songwriting honors, gone viral with “Watermelon Meow Meow,” performed at Lollapalooza and toured internationally with Navy and Armed Forces Entertainment.

Their latest release, *The Carryover Effect Mixtape* (August 2025), gathers beloved “misfit” songs alongside new tracks, celebrating resilience and creativity, qualities that have defined the Movers since the days of Hurricane Katrina.

So, get ready to jump up, get down, stand up and turn around with the Movers!
